

## GDPR agreement

*Residents in any one of EEA member countries, namely a member country of the EU, and Iceland, Liechtenstein or Norway are requested to read and confirm the following notes. If you do not confirm, CROSS cannot make the documents for the visa application.*

### Notes for General Data Protection Regulation (GDPR)

- Personal data acquired through the Information for Visa Application Documents will be used only for the following purpose(s).
  - Preparing and sending to the visa applicant the documents for the visa application
- Personal information will be transferred to Japan, and stored in Comprehensive Research Organization for Science and Society (CROSS)' s server in Japan. CROSS will manage personal information of the respondents in an appropriate manner while the framework certified by the European Commission to transfer personal data between EEA and Japan with respect to compliance with the criteria for data protection is not applicable to public-sector agencies of Japan including CROSS.
- A respondent has the right to require CROSS the access to his/her own personal data, correction of his/her incorrect data, and restriction to data processing during the verification of the correctness of personal data.

For inquiries, please contact the Utilization Promotion Office of CROSS at “info\_gdpr@cross.or.jp” which is responsible for this registration. If you are unsatisfied with the handling of personal data by CROSS, you are entitled to file a complaint with the supervisory organization of a member country of EEA.

The respondent has the right to withdraw this consent at any time, and such withdrawal has no impact on the legality of data processing procedures and /or data transfer, both conducted before the withdrawal.

-----

I confirmed the above Notes and consent to the processing of the information I filled in the form on the previous pages for the purpose mentioned in the above Notes.
